

GPX

HONDA

Raybestos introduces the **new GPX Friction Plate** for Honda transmissions. The “Global Performance Extra,” made in America, is superior to any other friction plate for Honda. The GPX Friction Plate shifting performance matches Honda perfectly with even greater durability. Engineered to fit right and outperform any other Honda friction plate.

Raybestos
POWERTRAIN

Features and Benefits

- Proprietary Raybestos engineered friction material and unique groove design provide smooth shifts and greater durability
- The industry’s tightest manufacturing specifications for trouble-free installation
- Withstands higher temperatures than the OE
- Made in the USA
- An OE replacement without the OE cost

Honda GPX Friction Plates
